To

This letter is to bring you up to date about the childrens' inventor seminar.

Things are moving fast and better than expectations. We have several sponsors and will be seeking more.

The meeting location has been changed because the Marriot could not supply us with a room big enough to hold the anticipated number of attenders. The meeting will be held on May 15th, 9:00 A.M. to 4:00 P.M. at the Crest Theater located in the Old Schoolhouse Square on East Atlantic Ave. Delray Beach.

We are grateful for the help we are getting from the Center for Technology, Enterprise, and Development. (Better known as The T.E.D. Center.) They have been working on our behalf getting money from sponsors, location for the meeting, printing, food, and a place to hold our first volunteers' meeting.

We are now ready to get the word out and that's where you, as a volunteer, come in.

Our main task is letting the parents of inventive children know about the seminar. In addition to your help, we are fortunate to have the help of Shelly Parpard, coordinator of volunteer service, of the Palm Beach School system. She has given us the list of all the schools in Palm Beach County as well as the names of the principals for each school.

It will be our job to contact the schools and get them to distribute our brochure to the interested teachers. They in turn will be given enough brochures for any and all the interested students and their parents or guardian.

In addition, we would like to leave batches of our brochures at places children and their parents gather - such as: fast food restaurants, bowling alleys, skating rinks, malls, supermarkets etc. all libraries, sporting goods stores or any place you can think of where children gather.

The enclosed brochure has most of the information you will need to answer most of the questions.

We are ready to have all the volunteers at a meeting at the T.E.D. Center on March 17th (St. Patrick's Day). at 7:00 pm. The meeting should not last longer than 1 1/2 hours.

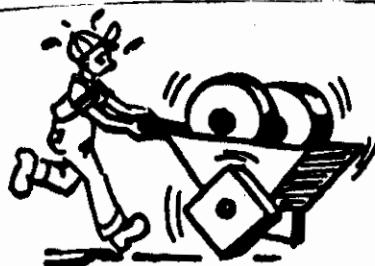

OVER

The T.E.D. Center is at #10B S.E. 1st Ave, Delray beach.

Directions From I 95. East on Atlantic Ave. to S.E.1st. Ave. (just passed Swinton Ave.). Make a right turn on S.E.1st Ave and you will find the Center about 100 feet from the corner on the north side of the street. (There is a parking field directly opposite the Center.) They are on the ground floor. 1st Ave is the first block, on Atlantic Ave., where the restaurants and art shops are. The street is a great place to have dinner.

We hope you will all attend. If you cannot, please let us know as soon as possible.
