

Vince Gelormine is the Founder & CEO of the Startup Business Boot Camp, (www.StartupBusinessBootCamp.com), a hands-on intensive workshop that helps both aspiring and existing entrepreneurs test, launch and market new business concepts and ideas in just 1 weekend. Vince is a serial entrepreneur who currently owns 5 businesses. Vince has taken one of his ventures public, raised \$10 million in venture capital funding, is a patent holder and has authored 2 books. He routinely starts new businesses at will with little to no money using the concepts he teaches at his Startup Business Boot Camps. His next event for entrepreneurs and inventors is scheduled for March 2011.
