

Major Meeting Change!

Our next meeting will NOT be held on the first Saturday 11/5/11 but WILL be held on the second Saturday 11/12/11 and for a darn good reason!

Due to our future hosting of the TeleBrands Product hunt in early 2012, Mark Reyland, the Executive Director of the UIA is going to be giving us a crash course on how we can give them what they are looking for.

His concept is to educate the inventors before the event and this way there will be better ideas for TeleBrands to choose from. It seems to have worked. From what he told me, they are lucky to find one possible product at a typical hunt. In the Cincinnati hunt last week, they found 4 strong products and a few more possibles.

I said, "I like those odds! When can you come?"

Whether you are going to be ready or not this time, you can't afford to miss this golden educational opportunity.

Mr. Reyland will be coming to the LIGI Tool & Engineering, Inc. (3220 SW 15th Street Deerfield Beach, FL 33442) at 1PM on Saturday 11/12/11 to give his presentation, hosted by the Inventors Society of South Florida (a non-profit educational organization).
